

CERTIFICATED FLIGHT INSTRUCTOR ENDORSEMENT

We agree to allow **you** to give others dual flight instruction, flight reviews and check rides. **You** may charge for this.

This endorsement does not provide professional malpractice insurance. It applies only while **you** are giving dual flight instruction, flight reviews or check rides in a **non-owned aircraft**.

Definition 6, "**Non-owned aircraft**," in **your** Policy is changed to read:

6. "**Non-owned aircraft**" means an aircraft **you** rent or borrow. It also includes an aircraft that is rented, borrowed or owned by the person to whom **you** are giving dual flight instruction, a flight review or a check ride. Its use must be with the owner's permission. It cannot be owned in whole or in part by, or furnished for more than 30 consecutive days to:
- you** or **your** spouse;
 - parents, children, brothers or sisters of **you** or **your** spouse;
 - a corporation, partnership or other organization in which any combination of people shown in (a) and (b) above own more than 20%.

It must have all of the following:

- fixed wings;
- a standard airworthiness certificate, or be certified by the **FAA** as Special Light Sport Aircraft in the Airplane or Glider category;
- United States or Canadian registry.

It must not have any of the following:

- a turbine engine;
- an engine with more than 450 horsepower;
- more than 7 seats;
- more than one engine.

This Endorsement is effective Mo.DayYr. at 12:01 A.M. local time at **your** address shown in item 1 of the Data Page and is part of Policy Number issued by Avemco Insurance Company.
